IT'S THE BEST
PLACE TO BE

Become A "VIP"

By attending New Generations your loved one gets to stay in the community while you work or to simply give the caregiver a break. Your loved one will benefit from the social interaction and the structure of daily activities. Our compassionate caregivers assist with whatever needs your loved one may have. This includes assistance with eating, toileting, walking and exercise while our nurses can assist with taking medicines. And be prepared to have fun and stay active with our daily crafts, devotions, exercise and exciting field trips.

WHAT ARE THE BENEFITS.

Adult day health care is a planned program of activities for individuals that require supportive care during the day

- A USDA approved lunch is served along with a snack
- Four nurses on site that can attend to any medical needs.
- Socialization opportunities
- Daily devotions and exercises
- Field Trips
- Therapeutic and cognitively stimulating activities; such as games, arts and crafts, entertainment
- Transportation is provided

Mission statement: To improve the quality of life and maintain a maximal level of independence for each client and family we serve.
